5 Acceptance of Membership

By becoming a member in the Co-op program, I understand that the Co-op will provide each member with an equitable share of the freshly grown produce for the 2022 harvest season. I understand that farming is not without risks and that forces beyond the farmer's control may adversely affect the harvest. I understand that not all of the different crops will be grown on Milky Way Farm that will be included in the Co-op. I also release Milky Way Farm and FarmHouse Markets and its employees from any responsibility or liability for injuries which I, or anyone accompanying me, may incur as a result of being on the farm premises.
